1 Thanks for the idea. How about...?

2 You're on the right track, but maybe you could...

3 Did you think about...?

4 Can anyone add to what [STUDENT] said to help us get to the right answer?

5 How did you arrive at your answer?

6 Thank you for always trying new things in class.

7 You always take initiative, especially in...

8 You reached your specific goal of [EXPLICITLY STATE THE GOAL].

9 You used to [UNDESIRABLE PAST OUTCOME], but now you [DESIRABLE CURRENT OUTCOME].

10 You always know when to ask for help.

11 Other students know that they can always ask you for help.

12 What really wowed me was...

13 I think your example was...

14 I think you should add...

15 One problem I see is...

16 How can you change this, so it feels more complete?

17 I am confused by...

18 I noticed...

19 You're doing everything right until you get to this step.

20 Make specific observations, and then ask, "why?"
